

Next Open Assembly (Untitled) (Online Article)

Historical Note

This online article was published by the group [Justice for Shoaib Khan](#) on Facebook on 11/01/26.

Content

On Tuesday 13th January at 19:00 at Meltemi, we are holding the next open meeting for the initiative Justice for Shoaib Khan. The initiative is open to individuals and groups who want to organize against the murderous migration policies that killed Shoaib earlier this year. We will be discussing actions in light of the death inquest that will begin at the end of January 2026.
